

# Yellow Ribbon Suicide Prevention Program

## Greeley, Colorado Chapter

PO Box 336322  
Greeley CO 80633  
970.324.3820

The Greeley Colorado Chapter of Yellow Ribbon was started in loving memory of Matt Walling and Sarah Munger. A beautiful, caring, young couple who lost their lives to suicide in 2005.

After the deaths of their children, the families of the two teens decided that they would use their children's stories to educate the community about suicide and suicide prevention. After much research they discovered the Yellow Ribbon program and determined that it was the program that would most benefit the community.

The chapter was formed in the spring of 2006 and has been growing ever since. Meetings are held once monthly and the group has put together several fund raising and awareness events including a 5K Walk for Life. The group strives to educate the community with the most recent facts and figures and through their personal experiences. We offer a safe place to share your feelings in a non-judgemental environment and people who truly care about preventing suicide. We continue to grow through the experiences of our members and value the opportunity to lift each other up in times of need.

The chapter also spends time educating the community through presentations at churches, schools, businesses, and fairs. If you or someone you know would like to become trained to present the Yellow Ribbon materials or if you would like to have a presenter speak, please contact us at 970.324.3820. We are always looking for compassionate and motivated volunteers to help us spread the word that **"It's OK to Ask for Help!"**
